

A modern kitchen featuring a long white countertop with a sink and a gas cooktop. Above the countertop are brown cabinets and a textured backsplash. Three wooden bar stools with green seats are positioned in front of the counter. The floor is made of light wood. A large window on the right side shows greenery outside. The text 'Laminex™ Acrylic Panel' is overlaid on the left side of the image.

## Cleaning guidelines

Recommended cleaning products: Jif® Powerspray, Sunlight® liquid, Ajax Spray n' Wipe® – Multi Purpose, kitchen antibacterial, bathroom antibacterial.

- Adhere to cleaner manufacturer's instructions.
- The use of scouring pads, abrasive cloths, cream cleaners, plant based cleaners, cutting compounds or polishes is not recommended.
- The removal of dust from the surface can be easily achieved by the use of an electrostatic dusting cloth (e.g. Johnson's Pledge Grab-it®).
- A soft cloth should always be used, apply cleaning products to the cloth rather than directly onto the Laminex™ Acrylic Panel product.

Laminex™ Acrylic Panel is marketed and distributed by Laminex New Zealand®, a division of FLETCHER BUILDING PRODUCTS LIMITED. The colours of the photographs and swatches depicted in this brochure are as close to the Laminex™ Acrylic Panel range as modern photographic, lighting and printing processes allow. The colours shown are available at the time of publication, but are subject to availability and may be withdrawn at any time. Laminex™ Acrylic Panel is no different from any other material in that darker colours and gloss finishes will always show scratches and superficial wear and tear more readily than lighter colours or lower gloss finishes. Such surfaces require more care and maintenance and Laminex New Zealand® recommends the use of mild household cleaning products applied to a soft cloth. Please visit our website, [www.laminex.co.nz](http://www.laminex.co.nz), for specific care and cleaning information. Note that in certain lights or from different angles wipe down marks may be visible after cleaning. We recommend ordering all panels for one job together to avoid any slight colour variances that may occur between production runs. Please obtain a copy of the terms and conditions of the Laminex™ Acrylic Panel 10 Year Limited Warranty from Laminex New Zealand® or visit [www.laminex.co.nz](http://www.laminex.co.nz). This warranty is in addition to any rights that may exist under the Consumer Guarantees Act (1993).J008888 06/20
