Seratone Panel Cleaning Information

In order to ensure Seratone Wet Area Panels maintain their performance and appearance, Laminex New Zealand recommends the following products and guidelines.

Recommended cleaning products:

Jif Powerspray®, Sunlight Liquid®, Ajax Spray 'n' Wipe® - multi purpose, kitchen antibacterial, Handy Andy®, bleach.

- Adhere to cleaning manufacturers instructions,
- A soft cloth is recommended,
- No abrasive liquid or cream cleaners should be used,
- Do not use scouring pads or abrasive cloths or cleaners (e.g. steel wool) as these can damage the surface,
- The removal of dust from the surface can be easily achieved with the use of an electrostatic dusting cloth (e.g. Johnson's Pledge Grab-it)

If you have any questions, or in the unlikely event of a problem, please contact Laminex New Zealand Customer Services. Contact details are at the bottom of this page.

Seratone Technical Information is available from stockists and can be found online at laminex.co.nz or by contacting Laminex NZ on 0800 303 606.
